

Experienced Recruitment Consultant

Experienced Recruitment Consultant

Location: Covent Garden, London

At Omni each consultant runs their own “niche” market area and as such you are empowered to run your own business within a range of complimentary sectors.

We are looking for individuals who are keen to develop their own market areas whilst adding their own personal stamp to the manner in which the market is developed.

Promotion, team leading and bonuses are all dependent upon performance and not based on longevity of employment.

We are based in Covent Garden and are accessible from Holborn/Covent Garden Underground as well as Charing Cross and a short bus ride from Waterloo.

If you are looking for a company with which to develop your career in recruitment, whilst working for a forward thinking company then come and talk to us.

Please contact David Jackson on 0207 831 1144 or at dj@omniresources.co.uk to arrange an initial informal meeting.
